

The screenshot shows the PubMed search interface. At the top, there are three search boxes labeled 'PubMed', 'Search', and 'Advanced search'. Below the search boxes are buttons for 'Limits', 'Advanced search', and 'Help'. A search term '(anti-freeze OR antifreeze) AND (polypeptide or glycoprotein or protein)' is entered in the main search box. Below the search bar, there is a 'Clear' button. The background features the National Institutes of Health and PubMed.gov logos.
